

Buddha Academy

Khanalthok, Bhakundebesi

Kavre, Nepal

School Profile

Home Section

Buddha Academy, established in 2060 B.S with the motto of “Disseminating the Light of Equality Education” in the beautiful town of Bhakundebesi, Nepal situated 51 kilometres away from the capital Kathmandu and 21 kilometres from the headquarter of Kavre District Dhulikhel, Nepal.

Buddha Academy was established by the group of renowned personalities and social activists in the main motive of providing qualitative education through modern teaching approaches for the children of all level families. It is magnificently supported by the community people and also the teachers who are well qualified and determined towards education.

At present school runs from Primary Level, i.e. Nursery to the Secondary Level (i.e. Grade 10) and being planned to extend the classes to Higher Secondary Level in the soon future. The successful farewell of 7th SLC Batch with cent percent results in School Leaving Certificate (S.L.C) examinations proves the quality education and keen to learn students in the school. It is marching forward in creating the educated and self reliant human resources by providing the modern teaching approaches with integrated effort of Management and the work bond of energetic teachers

Management Overview

We believe in the team work and a good team orientation. Since it is really important to have a management committee in any institution for the successful operation of an institution, we have consciously maintained the committee of enthusiastic, creative and vigorous personnel in our Management Committee. We all are focused on the quality to be given for effective and comprehensive education to every students of our school. The names below along with their designation are listed as a management committee of school.
